

ONE WORLD,

ONE MEDICINE,

ONE HEALTH

One Health Intellectual Exchange

Discussions / Course: One Health: Philosophy to Practice

A weekly discussion series, sponsored by the **North Carolina One Health Collaborative** within the North Carolina Biotechnology Center's Intellectual Exchange Group (IEG) Program to enhance collaborations between physicians, veterinarians, researchers and other local/global/environmental health professionals by increasing public awareness of the interconnectedness of people, animals and the environment.

(Available each spring for credit if desired: Enrolled Students arrive at 5:30)
